ORDER

THIS MATTER comes before the Court upon the defendant's motion for sentencing transcript and a concurrent sentence. (Document No. 366). The request for a transcript was addressed in a separate order. (Doc. No. 414).

The defendant seeks additional credit for time he spent in state custody allegedly related to his federal offense. The Court denied the defendant's previous request for such relief (Doc. No. 411) and the defendant has not provided any additional information to bring that decision into question.

IT IS, THEREFORE, ORDERED that the defendant's request for concurrent sentence (Doc. No. 366) is **DENIED**.

IT IS FURTHER ORDERED that similar repetitive requests may be summarily denied.
